CITY ASSESSOR

City Assessor Duties

The City Assessor is appointed by and reports directly to the Petersburg City Council. As their primary adviser on state and local laws and policies applicable to appraisal and assessment of real property, the duties include directing an effective comprehensive assessment program for Petersburg and leading a team of dedicated professionals.

City Assessor's Office

VISION - To be a model assessment office with a team of dedicated professionals, utilizing best practices and realizing the benefits of technology within a supportive legal framework.

MISSION - The City Assessor’s Office fairly and equitably assesses the real estate in the City of Petersburg biennially and provides accurate property information under the authority of the Constitution of Virginia, Code of Virginia and Petersburg City Code and in accordance with standards of professional practice.

Brian E. Gordineer, AAS
City Assessor

135 N. Union St.

- Dec. 31: Second Quarter
- Mar. 30: Third Quarter
- Jun. 30: Fourth Quarter

CITY ASSESSOR’S OFFICE
Brian E. Gordineer, AAS – City Assessor
ASSESSMENT

Biennial Reassessment Program

The process of biennially reviewing assessment valuations as of January 1 is referred to as General Reassessment. Biennial assessments are made by utilizing accepted professional real estate appraisal techniques and standards. Mass appraisal is defined by the International Association of Assessing Officers (IAAO) as the process of valuing a group of properties as of a given date, using standardized procedures to develop an appraisal report for individual testing. Real estate assessments are reviewed every two years, although not all assessments are changed. Real estate appraisers will consider the sales comparison, income and cost approaches, although certain approaches may be determined to be more relevant to a particular property type.

Real estate assessments may increase, remain unchanged or decrease. Changes in assessments will result from changes in the real estate market, changes to the property (new construction, additions, demolition, rezoning) or corrections in property information. Change of Assessment Notices are mailed on January 28 of a reassessment year and only mailed to those property owners whose assessment has changed. Requirements for notification are set forth in the Code of Virginia § 58.1-3330. The Change in Assessment Notice includes the previous assessment and new assessment, as well as information regarding the appeal process (Office Review and Board of Review).
APPEALS

Office Review – to the City Assessor’s Office

In accordance with the Municipal Code of Petersburg, the deadline to file a Review Application is March 1 of the year for which the assessment is made, or within thirty (30) days after the date of the notice of change in assessment. Before filing a Review Application please call the City Assessor’s Office and speak with a real estate appraiser. They will provide an explanation of the reassessment process and information regarding your property and the surrounding area.

This is also a valuable opportunity for the property owner to confirm the records in the City Assessor’s Office of correct improvement size and property characteristics of their property and comparable properties. Maintaining correct size and property characteristics on the City of Petersburg’s 15,000 parcels is an important and ongoing effort which is essential to providing fair and equitable assessments.

If there is still a concern about the equity and/or fairness of the assessment of your property you may make an application for a review. The Review of Assessment Application can be printed from the website, mailed to you or obtained from the City Assessor’s Office. Office Review Applications are received and processed following the mailing of Change in Assessment Notices. The completed application should be returned to the City Assessor’s Office. With your permission, a real estate appraiser will make a detailed inspection (interior and exterior) to confirm the accuracy of the improvement size and property characteristics. Inaccuracies in data will be corrected immediately, the assessed value will be reviewed and adjustments to the assessed value will be made if necessary.
EXEMPTIONS

Exemptions by Classification and Designation

Certain real estate owned by religious, educational, and charitable organizations may be exempt from taxation. Real property exemptions are authorized by the Constitution of Virginia, Code of Virginia § 58.1-3600-3651. Exemptions fall into two categories. Exemption by "Classification" relates to property used for such uses as schools, houses of worship, or volunteer fire departments. Exemptions by "Classification" are administratively processed by the City Assessor’s Office. All requests for Exemption by Classification should be made by filing Form 51 with the City Assessor’s Office.

Exemptions by "Designation" relate to property used for purposes and by organizations specified as "classical" in the Constitution of Virginia or Code of Virginia. Exemptions by "Designation" must be approved by the City Council. There is currently a moratorium on exemptions by "Designation" in effect.

Rehabilitation Tax Credit Program – Encouraging Rehabilitation

The City Assessor’s Office administers a program to encourage both homeowners and businesses to rehabilitate their properties and in return not pay full taxes on those improvements for a period of five years. The program is authorized by the Code of Virginia § 58.1-3220 & § 58.1-3221. The program criteria varies slightly between residential and commercial properties, as well as between certain areas of the City. Please see the application for the current criteria. The exemption commences July 1st of the tax year immediately following completion of rehabilitation. The exemption is calculated at 100 percent of the rehabilitation credit for five years. An application must be filed prior to any renovations being started. Application fees are $125 for residential properties and $250 for commercial properties.

Rehabilitation Exemption Application

APPLICATION

Any person wishing to claim the rehabilitation tax exemption must first complete a Rehabilitation Exemption Application and submit it to the City Assessor’s Office with the appropriate non-refundable fee by check, cash or money order (for residential structures and $250 for commercial/industrial structures). The application must be filed after all permits and other necessary approvals have been issued, and prior to any rehabilitation being started. The Assessor’s Office will call or email to arrange an initial inspection in order to establish the base or “before” condition. Qualifying rehabilitation must be completed within two years of filing the application.

ELIGIBILITY AND QUALIFICATIONS

Eligibility and qualifications vary depending on location within the City. A summary of the structure minimum requirements, necessary value increase, limitations of new square footage and maximum exemption amount is provided below.

The exemption commences July 1st of the tax year immediately following completion of rehabilitation. An exemption shall run with the property for a period of five (5) years.

VERIFICATION AND CERTIFICATION OF REHABILITATION

When rehabilitation is complete or the two-year application period is passing, whichever comes first, the property owner or authorized representative must verify rehabilitation. This can be accomplished by submitting a completed Rehabilitation Exemption Application or the Form below.

Applications
- Exemption by Classification Application
- Rehabilitation Exemption Application
- Supplemental or Land Appeal Application
