

Department of Small Business and Supplier Diversity and Chesterfield Economic Development are Offering Free SWaMming Lessons!

Swimming Through the SWaM Certification Process !

If you're having difficulty uploading SWaM documents, this Workshop Is for You !!!

SWaM (Small, Women, and Minority owned firms) certification is one of the most powerful business tools you can use to grow your sales among state agencies, public colleges and universities, local municipalities. Even private sector firms are utilizing the SWaM database. Last year, the Commonwealth of Virginia spent more than \$6 Billion on goods and services. For every \$100 the Commonwealth spent on goods and services, \$37, went to a SWaM certified vendor. Are you getting your share?

Bring your documents ready to be uploaded and we'll complete the process!
