Pesticide Control Board	2 VAC 20-20-10 et seq.	Rules and Regulations for Enforcement of the Virginia Pesticide Law	Sets standards for application, handling, storage and disposal of pesticides.	✓
	2 VAC 20-30-10 et seq.	Rules and Regulations Governing the Pesticide Fees Charged by the Department of Agriculture and Consumer Services Under the Virginia Pesticide Control Act	Provides fee determination for commercial pesticide applicators and registered pesticide technicians.	✓
	2 VAC 20-40-10 et seq.	Rules and Regulations Governing Licensing of Pesticide Businesses by the Department of Agriculture and Consumer Services Operating Under Authority of the Virginia Pesticide Control Act	Requires licenses for individuals and business applying pesticides. Also requires recordkeeping of all applications.	✓
	2 VAC 20-51-10 et seq.	Regulations Governing Pesticide Applicator Certification Under Authority of Virginia Pesticide Control Act	Details registration program for commercial pesticide applicators and registered pesticide technicians.	✓
Marine Resources Commission	4 VAC 20-345-10 et seq.	General Wetlands Permit for Emergency Situations	Provides an expedited process for the issuance of general wetlands permits to allow applicants to stabilize nonvegetated shorelines during emergency situations following a determination that there is a threat to public or private property or to the health and safety of the public.	---
	4 VAC 20-395-10 et seq.	General Permit for Emergency Situations and Water Quality Improvement Projects	Provides an expedited process for the issuance of a general permit for activities in or on state-owned subaqueous beds whereby property owners adjacent to nontidal waterways are granted authority to install structures to stabilize watercourses and stream banks in emergency situations or to construct facilities designed to improve water quality.	---
Virginia Soil and Water Conservation Board	4 VAC 50-11-10 et seq.	Regulatory Public Participation Procedures	Establishes procedures for soliciting the input of interested persons in the initial formation and development, amendment or repeal of regulations.	---
	4 VAC 50-30-10 et seq.	Erosion and Sediment Control Regulations	Sets forth minimum standards for the effective control of soil erosion, sediment deposition and nonagricultural runoff that must be met.	---

Subject Area	Citation	Name	Description	Facilities Management
	4 VAC 50-50-10 et seq.	Erosion and Sediment Control Certification Regulations	Describes the program for issuing certificates of competence for staff members implementing erosion and sediment control programs.	---
	4 VAC 50-60-10 et seq.	Virginia Stormwater Management Program (VSMP) Permit Regulations	Delineates the procedures and requirements to be followed in connection with VSMP permits pursuant to the Clean Water Act and the Virginia Stormwater Management Act. This now includes general construction permitting and MS4 permitting which was formerly regulated by VDEQ.	---
Air Pollution Control Board	9 VAC 5-10-10 et seq.	General Definitions	Defines all relevant terms for the purpose of applying the Regulations for the Control and Abatement of Air Pollution.	✓
	9 VAC 5-20-10 et seq.	General Provisions	Provides general provisions applicable to only those pollutants for which ambient air quality standards are set forth in 9 VAC 5-30-10 et seq. or for which emission standards are set forth in 9 VAC 5-40-10 et seq., 9 VAC 5-50-10 et seq. and 9 VAC 5-60-10 et seq. or both.	✓
	9 VAC 5-30-10 et seq.	Ambient Air Quality Standards	Defines protective ambient air quality standards.	✓
	9 VAC 5-40-10 et seq.	Existing Stationary Sources	Describes compliance program for existing stationary sources of air pollutants.	✓
	9 VAC 5-50-10 et seq.	New and Modified Stationary Sources	Describes compliance program for new and modified stationary sources of air pollutants.	✓
	9 VAC 5-60-10 et seq.	Hazardous Air Pollutant Sources	Describes compliance program for all existing, new and modified hazardous air pollutant sources for which emission standards are prescribed under this chapter.	✓
	9 VAC 5-80-10 et seq.	Permits for Stationary Sources	Describes the permitting program for stationary sources meeting the permitting minimums.	✓
	9 VAC 5-85-10 et seq.	Permits for Stationary Sources Subject to Regulation	Describes permit actions for stationary sources that emit or have the potential to emit air pollutants subject to regulation, primarily impacting greenhouse gas emissions and their impact on permitting requirements.	---
	9 VAC 5-130-10 et seq.	Regulation for Open Burning	Restricts open burning in certain areas (including Chesterfield County).	---
Virginia Waste Management Board	9 VAC 20-11-10 et seq.	Public Participation Guidelines	Provides the requirements to be used for soliciting the input of interested persons in the formation and development, amendment or repeal of regulations in accordance with the Administrative Process Act.	---

Subject Area	Citation	Name	Description	Facilities Management
	9 VAC 20-15-10 et seq.	Regulation for Dispute Resolution	Provides a dispute resolution process to be used to resolve only those disputes that reveal significant issues of disagreement among parties provided the board decides it is in the public interest to do so.	---
	9 VAC 20-60-10 et seq.	Hazardous Waste Management Regulations	Adopts federal hazardous waste management regulations by reference and provides additional state-specific requirements in areas such as providing notice of waste management activity and Virginia's public participation requirements.	✓
	9 VAC 20-70-10 et seq.	Financial Assurance Regulations for Solid Waste Disposal, Transfer and Treatment Facilities	Assures that owners and operators of permitted or unpermitted waste management facilities identified in 9 VAC 20-70-50 A are financially responsible for the closure, post-closure care and corrective action at their facilities, as applicable.	---
	9 VAC 20-80-10 et seq.	Solid Waste Management Regulations	Establishes standards and procedures pertaining to the management of solid wastes.	✓
	9 VAC 20-90-10 et seq.	Solid Waste Management Facility Permit Application Fees	Establishes schedules and procedures pertaining to the payment and collection of fees from any applicant seeking a new permit or seeking a modification or an amendment to an existing permit for operation of a solid or regulated medical waste management facility (e.g., landfills, transfer stations, composting operations, etc.) in the Commonwealth of Virginia. These regulations also establish fees for the review of other permit-related documents required to be reviewed by the department.	---
	9 VAC 20-101-10 et seq.	Vegetative Waste Management and Yard Waste Composting Regulations	Establishes appropriate standards for siting, design, construction, operation and closure, and expedited permitting procedures pertaining to certain vegetative waste management facilities.	---
	9 VAC 20-110-10 et seq.	Regulations Governing the Transportation of Hazardous Materials	Regulates the transportation of hazardous materials and requires the maintenance of a register of shippers and the monitoring of the transportation of hazardous radioactive materials requiring advance notification in Virginia.	✓
	9 VAC 20-120-10 et seq.	Regulated Medical Waste Management Regulations	Establishes standards and procedures pertaining to regulated medical waste management.	✓

Subject Area	Citation	Name	Description	Facilities Management
	<i>9 VAC 20-130-10 et seq.</i>	Regulations for the Development of Solid Waste Management Plans	Establishes a program requiring the development of regional Solid Waste Management Plans by designated local government entities to provide for environmentally sound and compatible solid waste management with the most effective and efficient use of available resources	---
	<i>9 VAC 20-160-10 et seq.</i>	Voluntary Remediation Regulations	Establishes standards and procedures pertaining to the eligibility, enrollment, reporting, remediation, and termination criteria for the Virginia Voluntary Remediation Program in order to protect human health and the environment.	---
	<i>9 VAC 20-200-10 et seq.</i>	Mercury Switch Regulations	Regulates the removal, storage, shipping, recycling and disposal of mercury switches removed from vehicles.	---
State Water Control Board	<i>9 VAC 25-11-10 et seq.</i>	Public Participation Guidelines	Provides the requirements to be used for soliciting the input of interested persons in the formation and development, amendment or repeal of regulations in accordance with the Administrative Process Act.	---
	<i>9 VAC 25-15-10 et seq.</i>	Regulation for Dispute Resolution	Provides a dispute resolution process to be used to resolve only those disputes that reveal significant issues of disagreement among parties provided the board decides it is in the public interest to do so.	---
	<i>9 VAC 25-20-10 et seq.</i>	Fees for Permits and Certificates	Provides a schedule of fees for any person applying for a permit or certificate associated with water discharges.	---
	<i>9 VAC 25-31-10 et seq.</i>	Virginia Pollutant Discharge Elimination System Permit Regulation	Delineates the procedures and requirements to be followed in connection with VPDES permits issued by the Board (industrial stormwater permits, wastewater treatment plant permits, etc.)	---
	<i>9 VAC 25-32-10 et seq.</i>	Virginia Pollution Abatement (VPA) Permit Regulation	Establishes standards for the issuance of VPA Permits for pollution management activities that do not result in surface discharges under normal conditions.	---
	<i>9 VAC 25-40-10 et seq.</i>	Policy for Nutrient Enriched Waters	Provides for the control of discharges of nutrients from point sources affecting state waters that have been designated "nutrient enriched waters" in 9 VAC 25-260-350.	---
	<i>9 VAC 25-80-10 et seq.</i>	General Regulation Under State Water Control Law: Requirement No. 1	Restricts dischargers of untreated or inadequately treated sewage into waters of the state without an active pollution abatement program from building new sewers, connecting to existing sewers or making extensions to existing sewers without special permission from the State Water Control Board.	---
	<i>9 VAC 25-91-10 et seq.</i>	Facility and Aboveground Storage Tank Regulation	Establishes standards for the design and management of aboveground storage tanks containing petroleum products.	✓

Subject Area	Citation	Name	Description	Facilities Management
	9 VAC 25-120-10 et seq.	General Virginia Pollutant Discharge Elimination System Permit Regulation for Discharges From Petroleum Contaminated Sites, Groundwater Remediation and Hydrostatic Tests	Provides a general permit governing discharges of wastewaters from sites contaminated by petroleum products, chlorinated hydrocarbon solvents, and the hydrostatic testing of petroleum and natural gas storage tanks and pipelines.	---
	9 VAC 25-151-10 et seq.	VPDES General Permit for Discharges of Stormwater Associated With Industrial Activity	Governs all new and existing storm water discharges associated with industrial activity through a point source to surface waters or through a municipal or nonmunicipal separate storm sewer system to surface waters.	---
	9 VAC 25-194-10 et seq.	General VPDES Permit for Car Wash Facilities	Provides a general permit governing discharges of wastewaters from car wash facilities	---
	9 VAC 25-200-10 et seq.	Water Withdrawal Reporting	Requires the reporting of water withdrawal information to the board for its use in preparing plans and programs for the management of water resources of the Commonwealth (generally applicable to withdrawals > 10,000 gpd)	---
	9 VAC 25-210-10 et seq.	Virginia Water Protection (VWP) Permit Program Regulation	Describes the program regulating activities impacting wetlands, to include dredging, filling, discharging pollutants to draining, or in any other way impacting regulated wetlands.	---
	9 VAC 25-220-10 et seq.	Surface Water Management Area Regulation	Delineates the procedures and requirements to be followed in connection with establishment of surface water management areas, the issuance of surface water withdrawal permits and the issuance of surface water withdrawal certificates to protect these areas during low flow periods.	---
	9 VAC 25-260-10 et seq.	Water Quality Standards	Describes the process for developing water quality standards for water bodies based on usage classification and provides specific limiting standards.	✓
	9 VAC 25-280-10 et seq.	Groundwater Standards	Provides general and regionally specific groundwater standards for certain contaminants.	✓
	9 VAC 25-580-10 et seq.	Underground Storage Tanks: Technical Standards and Corrective Action Requirements	Describes design, installation, operation, notification, corrective action and closure requirements for regulated underground storage tanks.	---
	9 VAC 25-590-10 et seq.	Petroleum Underground Storage Tank Financial Requirements	Establishes the financial assurance requirements for owners/operators of regulated underground storage tanks.	---
	9 VAC 25-600-10 et seq.	Eastern Virginia Groundwater Management Area	Establishes the Eastern Virginia Groundwater Management Area to include Chesterfield County east of I95, thus requiring compliance with the Groundwater Management Act of 1992 through 9 VAC 25-610-10 et seq.	---

Subject Area	Citation	Name	Description	Facilities Management
	9 VAC 25-610-10 et seq.	Groundwater Withdrawal Regulations	Delineates the procedures and requirements to be followed when establishing Groundwater Management Areas and the issuance of Groundwater Withdrawal Permits by the board pursuant to the Groundwater Management Act of 1992.	--
	9 VAC 25-640-10 et seq.	Aboveground Storage Tank and Pipeline Facility Financial Responsibility Requirements	Establishes financial responsibility requirements for pipeline operators and owners/operators of ASTs with greater than 25,000 gallons of petroleum storage (not applicable to local government entities).	---
	9 VAC 25-660-10 et seq.	Virginia Water Protection Permit for Impacts Less than One-Half an Acre	Establishes VWP General Permit Number WP1 under the VWP permit program regulation to govern impacts to less than one-half of an acre of nontidal surface waters including up to 125 linear feet of perennial stream channel and up to 1,500 linear feet of nonperennial stream channel.	---
	9 VAC 25-670-10 et seq.	Virginia Water Protection General Permit For Facilities and Activities of Utility and Public Service Companies Regulated by the Federal Energy Regulatory Commission or the State Corporation Commission and other Utility Line Activities	Establishes VWP General Permit Number WP2 under the VWP permit program regulation to govern impacts related to the construction and maintenance of utility lines.	---
	9 VAC 25-680-10 et seq.	Virginia Water Protection General Permit for Linear Transportation Projects	Establishes VWP General Permit Number WP3 under the VWP permit program regulation to govern impacts related to the construction and maintenance of Virginia Department of Transportation (VDOT) or other linear transportation projects.	---
	9 VAC 25-690-10 et seq.	Virginia Water Protection General Permit for Impacts from Development and Certain Mining Activities	Establishes VWP General Permit Number WP4 under the VWP permit program regulation to govern impacts related to surface water and resulting from certain development activities as well as certain mining activities.	---
	9 VAC 25-720-10 et seq.	Water Quality Management Planning Regulation	Lists by major river basin the EPA-approved and board-adopted total maximum daily loads (TMDLs) and the stream segment classifications, effluent limitations including water quality based effluent limitations, and waste load allocations contained in the existing water quality management plans (WQMPs).	---
	9 VAC 25-740-10 et seq.	Water Reclamation and Reuse Regulations	Establishes permitting requirements, general requirements for design, operation and maintenance, quality standards, monitoring requirements and approved reuses for reclaimed water.	---
	9 VAC 25-780-10 et seq.	Local and Regional Water Supply Planning	Requires all Counties to submit a local water supply plan or participate in a regional water supply plan.	---

Subject Area	Citation	Name	Description	Facilities Management
	<i>9 VAC 25-790-10 et seq.</i>	Sewage Collection and Treatment Regulations	Governs the issuance of Certificates to Construct and Certificates to Operate sewerage systems or treatment works.	---
	<i>9 VAC 25-820-10 et seq.</i>	General VPDES Watershed Permit Regulation for Total Nitrogen and Total Phosphorus Discharges and Nutrient Trading in the Chesapeake Bay Watershed in Virginia	Provides a general permit governing discharges from facilities that hold VPDES permits that discharge to the Chesapeake Bay or its tributaries.	---
	<i>9 VAC 25-860-10 et seq.</i>	General VPDES Permit for Potable Water Treatment Plants	Provides a general permit governing discharges of wastewater from potable water treatment plants to surface waters.	---
Department of Health	<i>12 VAC 5-481-10 et seq.</i>	Virginia Radiation Protection Regulations	Regulates anyone who receives, possesses, uses transfers, owns or acquires any source of radiation not otherwise regulated by the NRC.	---
	<i>12 VAC 5-490-10 et seq.</i>	Virginia Radiation Protection Regulations: Fee Schedules	Provides fee structure facilities or organizations using a source of radiation not otherwise regulated by the NRC.	---
	<i>12 VAC 5-585-10 et seq.</i>	Biosolids Use Regulations	Provides permitting, fees and operational controls associated with biosolids application programs.	---
	<i>12 VAC 5-590-10 et seq.</i>	Waterworks Regulations	Governs the design, permitting, construction and operation of drinking water treatment works.	---
	<i>12 VAC 5-600-10 et seq.</i>	Waterworks Operation Fee	Establishes a waterworks operation fee schedule where the number of customer accounts of a community waterworks is the basis for assessing charges to the community waterworks.	---
	<i>12 VAC 5-610-10 et seq.</i>	Sewage Handling and Disposal Regulations	Establishes health-based requirements for design, construction and operation of sewage handling and disposal operations	---
Labor and Employment	<i>16 VAC 25-20-10 et seq.</i>	Regulation Concerning Licensed Asbestos Contractor Notification, Asbestos Project Permits and Permit Fees	Provides requirements for formal notifications, permits and associated fees to be submitted when conducting asbestos abatement.	✓
	<i>16 VAC 25-30-10 et seq.</i>	Regulations for Asbestos Emissions Standards for Demolition and Renovation Construction Activities and the Disposal of Asbestos-Containing Construction Wastes	Incorporates by reference 40 CFR 61.140 through 61.156, which is the National Emission Standard for Asbestos, including requirements for demolition and renovation.	✓
	<i>16 VAC 25-35-10 et seq.</i>	Regulation Concerning Certified Lead Contractors Notification, Lead Project Permits and Permit Fees	Provides requirements for formal notifications, permits and associated fees to be submitted when conducting lead abatement.	✓

Subject Area	Citation	Name	Description	Facilities Management
Professional and Occupational Licensing	<i>18 VAC 15-20-10 et seq.</i>	Virginia Asbestos Licensing Regulations	Provides licensing program for individuals or firms involved in asbestos abatement activities.	✓
	<i>18 VAC 15-30-10 et seq.</i>	Virginia Lead-Based Paint Activity Regulations	Contains procedures and requirements for the accreditation of lead-based paint activities training programs, procedures and requirements for the certification of individuals and firms engaged in lead-based paint activities, and standards for performing such activities.	✓
	<i>18 VAC 155-20-10 et seq.</i>	Waste Management Facility Operators Regulations	Provides licensing program for operators at waste management facilities, including landfill, transfer stations, composting facilities and other types of waste management operations.	---
	<i>18 VAC 160-20-10 et seq.</i>	Board for Waterworks and Wastewater Works Operators Regulations	Provides licensing program for operators of waterworks and wastewater works.	---
