§ 54.1-1111. Prerequisites to obtaining building permit.

Any person applying to the building inspector or any other authority of a county, city, or town in this Commonwealth, charged with the duty of issuing building or other permits for the construction of any building, highway, sewer, or structure, or any removal, grading or improvement shall furnish prior to the issuance of the permit, either (i) satisfactory proof to such inspector or authority that he is duly licensed or certified under the terms of this chapter to carry out or superintend the same, or (ii) file a written statement, supported by an affidavit, that he is not subject to licensure or certification as a contractor or subcontractor pursuant to this chapter. The applicant shall also furnish satisfactory proof that the taxes or license fees required by any county, city, or town have been paid so as to be qualified to bid upon or contract for the work for which the permit has been applied.

**Owner Affidavit**

Complete this section only if you are an Owner doing your own work, and are not subject to licensure as a contractor or subcontractor.

If you are an owner and intend to perform the work yourself or to act as your own general contractor by subcontracting the work, an Owner Affidavit is required certifying that you are the owner of this tract or parcel of land, that you have applied for this permit, and are not subject to licensing as a contractor or subcontractor. Signing the Owner Affidavit and obtaining the permit in your name, designates you, as the owner, responsible for the quality of the work and for compliance with all applicable State and local codes. This Owner Affidavit is a legally binding document and must be completed, with the signature of the person who witnessed your signature to this document, acknowledging your knowledge of and compliance with Section 54.1-1111 of the Code of Virginia. This seriously affects your rights under the law. (Note: Lessees are Owners as per State Law.)

I, as the owner, will be responsible for the work performed on my property, and I shall be responsible for compliance with all state and local laws regulating building construction and use, and compliance with all City Ordinances.
