City of Petersburg

Ordinance, Resolution, and Agenda Request

DATE: April 2, 2024

TO: The Honorable Mayor and Members of City Council

THROUGH: March Altman, Jr., City Manager

FROM: Leon Glaster

RE: Amendment of FY24 City General Fund Budget (2nd Reading)

PURPOSE: The City of Petersburg's Financial Policy and Virginia Code requires an appropriation amendment to the operating budget to be brought before the City Council if additional appropriations exceed 1% of the total expenditures; the appropriation amendment process must include a notice of a meeting and a public hearing. The public hearing was held on February 20, 2024.

REASON: Based on an extensive revenue assessment including the review of the City Assessor and City Commissioner of Revenue real property data, the Finance Department has determined that the real property revenue projections were understated. In addition, the city received a \$500,000 pass-through grant, and additional state revenue funds.

RECOMMENDATION: Approval of the Budget Modification request.

BACKGROUND: The Finance Department takes a very conservative position when projecting revenue. Our conservative approach has allowed the city to accumulate a strong general fund balance. The current financial policy requires that the city maintain a 17% actual expenditure fund balance. The city's current fund balance through the FY 2022 fiscal year was 53% (\$40 million). The FY 2023 unaudited fund balance projects a large fund balance increase. After the recent close of FY 2023, we completed a detailed revenue analysis through January 31, 2024, and have determined that some revenue categories need to be updated. Please note that the Finance Department's requested budget modification updates are still very conservative, and we still anticipate a significant increase in fund balance.

COST TO CITY: No cost as increased revenues are balanced with increased expenses.

BUDGETED ITEM: \$3,881,348 (See Attachment)

REVENUE TO CITY: \$3,881,348 additional revenue (See Attachment)
